Reducing carbon footprint

TPgo Order is a free, web-based app specifically designed for operatives, offering a quick and easy way to order, track and collect materials as well as replenish van stocks. It enables control, approvals, reporting, and cost oversight via the Back Office System. TPgo Order drives operational efficiency and cost savings, ultimately enabling faster repairs for tenants.

The Operatives App - one interface for:

- › Core Range Ordering
- › Specials Ordering
- › Van Stock Ordering

We can take our innovation, service, and expertise directly to you. Our TPgo go go van is a mobile demonstration and training unit. Contact our team to book the van and experience all things TPgo.

Housing providers and contractors are under increasing pressure to support:

- › Compliance with the Decent Homes Standard and Awaab’s Law
- › First-time fix rates improvements
- › Faster emergency repairs response
- › Cost control and audit transparency
- › Carbon reduction targets

Because we understand these operational challenges, we created TPgo Order.

The App

- › Real-time core range availability
- › Streamlined special order requests
- › Simplified van stock replenishment
- › More time to complete repairs
